

# Emergency Broadband Benefit Program

The Emergency Broadband Benefit is a temporary FCC program to help families and households struggling to afford broadband internet service during the COVID-19 pandemic.

The Emergency Broadband Benefit provides:

- **Up to \$50/month discount for broadband service;**
- **Up to \$75/month discount for households on qualifying Tribal lands; and**
- **A one-time discount of up to \$100 for a laptop, desktop computer, or tablet purchased through a participating provider if the household contributes more than \$10 but less than \$50 toward the purchase price.**

**The Emergency Broadband Benefit is limited to one monthly service discount and one device discount per household.**

## Who is Eligible?

A household is eligible if a member of the household meets one of the criteria below:

- Has an income that is at or below 135% of the Federal Poverty Guidelines or participates in certain assistance programs, such as SNAP, Medicaid, or Lifeline;
- Receives benefits under the free and reduced-price school lunch program or the school breakfast program, or did so in the 2019-2020 school year;
- Received a Federal Pell Grant during the current award year;
- Experienced a substantial loss of income due to job loss or furlough since February 29, 2020; or
- Meets the eligibility criteria for a participating broadband provider's existing low-income program

## Apply by one of these 3 methods -
