Brooke Ashton Parker
Scholarship & Memorial Fund

About Brooke: The Brooke Parker Foundation is meant to be a lasting tribute to Brooke who was killed in a head on collision by a wrong way drunk driver on 11/7/2016. She lived a vibrant life and was a strong influence on those that knew and loved her. God was a daily part of her life and she lived her days with passion and joy. Brooke was an over achiever and worked hard at athletics and scholastics and showed determination and grit often surpassing her natural given talents. She served proudly as athletic trainer at Lubbock Cooper Schools.

The Scholarship: This scholarship is intended to be given to a deserving individual who will go forward in the community, make in difference in the world around them, and ease the financial burden of a college education.
