REF: EIGHTH GRADE PLANNING NIGHT

Dear 8th Grade Parents:

You are all cordially invited to attend our annual 8th Grade Planning Night at the secondary campus board room on Monday, February 25th, at 6:00 pm. We need all 8th grade parents/guardians and students to attend, if at all possible.

The purpose of this meeting is to inform you about:

- high school graduation requirements
- dual credit
- college and career planning
- any questions or concerns you may have about this next exciting stage in your child's education

You will also begin working on your child's four-year personal graduation plan for high school. **Your attendance is very important**; please keep in mind that the students who attend will get to sign up for next year's classes first. Those who do not attend will have to wait to sign up with the other high school students. By law, all students and parents/guardians must meet with the counselor one-on-one to complete and sign a Personal Graduation Plan. This will be done by appointment after 8th Grade Planning Night, and there will be a sign-up sheet.

If you have any immediate questions, please feel free to call me at any time. I look forward to seeing you on February 25th to help guide your family through this next wonderful adventure called HIGH SCHOOL!

Sincerely,

Nicole White, MEd
