

# Hey, 8<sup>th</sup> Graders!

## You're Invited

You and your parents are invited to

8<sup>th</sup> Grade Planning Night!

Monday, February 12, 2018

6:00 pm

This is when we will talk about your high school graduation plan, dual credit, and all the exciting STUFF ahead of you in high school. If you and a parent do not attend, you will not be able to register early; you will have to wait until the rest of the high school registers in March. Hope to see you there!

See Mrs. White with any questions!
