

**O'DONNELL EAGLES...FLYING STRONG**

Dear OISD Parents –

We are required to inform you that O'Donnell ISD is on the 207-2018 PEG List. This list identified campuses that were rated Improvement Required by the state accountability system in 2014, 2015 or 2016. Although O'Donnell ISD is no longer rated Improvement Required, the notification is due to the district being rated Improvement Required for the 2015 school year.

Under the PEG inter district transfer provision, a parent of a student enrolled in any campuses listed may apply to a campus in another school district for the 2017 – 2018 school year.

If you would like more information concerning the PEG list, please visit [www.tea.texas.gov](http://www.tea.texas.gov). You can also contact the district at 806-428-3241.

Respectfully,

Dr. Cathy Amonett  
Superintendent OISD
