## School Health Advisory Council and Wellness Committee Minutes

May 16, 2023

**Covid Update** – Our Covid testing will cease at the end of this school year. This school year 22 tests have been performed. Three positive tests. Two positive tests reported to the Health Department. Third positive test was a known positive (entity confirming the positive test reported to health department). She requested a second test be performed to return to work.

**Fitness Gram Update/Report** – Fitness gram testing has been done but report not available currently. Will give results in first Wellness meeting next school year. Results will be sent to parents of participating students with report cards the very end of this school year.

**Student Safety & Security Report** -See attached report

**Annual District Wellness Plan/Policy Evaluation** – The District plan has been evaluated and submitted to Dr. Palmer – She will discuss with the Board in the May meeting. – See attached

**Annual written Board report** – An annual written Board meeting was completed and may be discussed in the May Board meeting – Included a synopsis of items submitted and discussed in all meetings posted this year.

**A HUGE thank you to all participants** – Have a wonderful summer – With Covid cases drastically declined to almost non-existent, we are hoping to be able to again conduct these meetings in person next school year!

**Congratulations to all Graduates** – “Fly High Eagles”:
