Cross the Street Night

April 9, 2020

Dear 5th Grade Parents,

Can you believe you will soon have a SIXTH GRADER? The transition across the street is exciting but can also come with nerves and lots of questions! To help with both of these, we are hosting a night for you and your "sixth grader" to get your questions answered so that you can start school with confidence! Some topics we will cover are:

Why middle school is different

- Keys to success
- Knowing the rules
- Changing classes
- Importance of grades
- Navigating the hallways
- Dealing with peer pressure
- Lunch time
- Changing for gym
- Who to go to for help

Tuesday, April 14, 6:00-6:45 pm
