

## O'DONNELL EAGLES

### Family and Community Engagement Report March 20, 2024

There are several benefits from a collaborative partnership with school, family and community. Some examples are: Higher grades and test scores, better attendance and homework completion, positive attitudes and behaviors, improved understanding of their child's developments and improved ability for parents to assist their children with school and learning.

As per excerpt of OISD Mission Statement – “The district is committed to high expectations, pride in the community and a safe and inviting environment”.

#### **Examples for OISD School, Family & Community involvement are:**

- Providing information, both in writing and electronically (via OISD Facebook page, School app & website pages). Parents requested information to be delivered via FB & School app and has proven to be extremely effective
- In person, electronic and open phone communication with all staff members and Administration
- Caring Adults for Education (CAFE) organization of parent volunteers – Do fundraisers to support and show appreciation to both students and staff
- SHAC/Wellness Committee participation
- Parent/Teacher conferences
